UNITED STATES COURT OF APPEALS  
FOR THE NINTH CIRCUIT

ALASKA ESKIMO WHALING  
COMMISSION AND INUPIAT  
COMMUNITY OF THE ARCTIC  
SLOPE,

Petitioners,

v.

KEN SALAZAR, Secretary of the Interior,  
and MINERALS MANAGEMENT  
SERVICE,

Respondents.

No.:

**PETITION FOR REVIEW**

Pursuant to 43 U.S.C. § 1349(c)(2) and Federal Rule of Appellate Procedure 15, the Alaska Eskimo Whaling Commission (AEWC) and the Inupiat Community of the Arctic Slope (ICAS) hereby petition this Court to review the October 16, 2009 decision of the Secretary of the Interior, acting through the Minerals Management Service (MMS), to approve the 2010

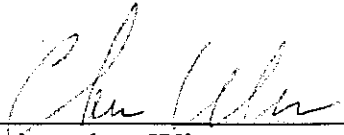

Outer Continental Shelf Lease Exploration Plan Camden Bay submitted by Shell Offshore Inc. Attachment 1.

Petitioner AEWC is a non-profit organization representing subsistence whaling captains from North Slope communities. Petitioner ICAS is a federally recognized sovereign tribal government organized pursuant to the Indian Reorganization Act of 1934. Petitioners, their members and the communities they represent depend on the resources of the Beaufort Sea to continue the subsistence lifestyle that has sustained their families and formed the basis for their culture and traditions since time immemorial. Petitioners are aggrieved by the decision, which approves oil drilling in the Beaufort Sea, because the agency failed adequately to consider potential impacts of the decision on the wildlife of the Arctic ecosystem, including bowhead whales and other marine mammals, as well as air and water quality, in violation of the National Environmental Policy Act (NEPA), 42 U.S.C. §§ 4321-4370f and the Outer Continental Shelf Lands Act (OCSLA), 43 U.S.C. §§ 1331-1356.

This Court has exclusive jurisdiction over the Petition for Review under OCSLA, 43 U.S.C. § 1349(c)(2). This Petition for Review is timely filed within 60 days of the October 16, 2009 decision. *See* 43 U.S.C. 1349 § 1349(c)(3).

DATED this 14th day of December, 2009.

Respectfully submitted,

---
